# NEEDS & WANTS

There can be a big difference between things we need and things we want. Knowing the difference can help you spend and save your money wisely.

**DIRECTIONS:** Draw or write your wants and needs in the correct column.

<b>NEEDS:</b> Important things we have in order to live.	<b>WANTS:</b> Fun things we save to get later.

# CREATE YOUR OWN BUSINESS

You can start a business to make and sell products that people want to buy.  
Then you can save the money you earn to use later!

**DIRECTIONS:** Color this lemonade stand how you would if it was your business.

# SAVE FOR BIG DREAMS

When you save your money, you can use it to buy and do important things later.

Put your money in a savings account and watch it add up as you save.

Every penny and quarter counts as you work toward your goal.

**DIRECTIONS:** Draw what you want to save your money for.  
Write how you are going to save.

# COUNT YOUR COINS

**Directions:** Each coin has a special value. Use the key to count the coins in the jar to find out how much money there is.

<p>Penny</p>  <p>1¢</p>	<p>Nickel</p>  <p>5¢</p>
<p>Dime</p>  <p>10¢</p>	<p>Quarter</p>  <p>25¢</p>

How much money is in the jar?
