

# Quicken for Mac 2015-2017 Conversion Instructions

---

## *Express Web Connect to Direct Connect*

### Introduction

As **AmFirst Bank** completes its system conversion to **Pinnacle Bank**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

**NOTE:** **Express Web Connect** uses the same User ID and Password as the **AmFirst Bank** website. **Direct Connect** for **Pinnacle Bank** may require registration. Please contact your financial institution to verify your Direct Connect login information.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

***Thank you for making these important changes!***
